**"A Century of Milking  
it!"  
100th Annual  
Dairy Days  
Celebration**

**May 30th, 31st, & June  
1st 2024!!!**

The History of **Dairy Days** began in August of 1924, the village of Fredericksburg staged its very first celebration. One tradition from the first celebration that still continues today is the ever popular Street Sports held at the football field of Staker Complex!

Now 100 years later, here we are in 2024 celebrating **Dairy Days** with this year's theme being "A century of Milking it!" Last year we had an amazing turn out since moving Dairy Days to the weekend and we look forward to an even better celebration this year.

**Dairy Days** not only celebrates our Heritage, it also celebrates the love for our community. We hope to make this **Dairy Days** better than the last, but we can't do it without your support!

Why **YOU** should join the milkclub! The milk club became a success beginning in 2003. Each year, the Dairy Day Board requests

donations from individuals and businesses to make Dairy Days a success! **This year the board would like you to consider giving any amount extra being that it is the 100th celebration, and we have lots of great events planned.**

The Dairy Day Board works year round to pull the event together. Without the help of you and your financial donation Dairy Days could not happen!
